PAHOKEE TABLES SPOT ZONING

PAHOKEE — To spot zone or not to spot zone, that was the question before the Council in regular meeting Monday night.

Mayor Lewis Friend said that he was definitely opposed to spot zoning to permit Orange State

Oil Company to construct a bulk plant on downtown property next to the Prince Theatre. Friend pointed out that the business area is growing and that zoning ordinances recently passed, if adhered to, prohibited erection of such a plant in the business district.

Mike Sanders, member of the Zoning Board, pointed out to Council that in view of their action to permit non-conforming businesses to rebuild on their property there was nothing to prevent Orange State from going ahead with a bulk plant on the property where they have an established plant. He further stated that most of the point of the new zoning ordinance had already been destroyed by Council action regarding allowing non-conforming businesses to rebuild.

Friend reminded the Council that there is an industrial area established in the zoning plan and suggested that Orange State investigate erecting their storage facility there.

President of Council Dick Parrish polled the Council on opinions they had gotten from citizens on the question. Councilman Loren Meredith said that 60% of those he has talked to stand by the zoning ordinance as it is. They indicate to him that spot zoning would destroy the principle the ordinance upholds.

(Continued on Page 8)

OKAY GIVEN B G CITY PLAN

BELLE GLADE — A "City Plan" was adopted by City Commission last night in regular session.

Water mains, water intake, sewers, sewerage disposal, garbage and trash will all be blanketed in the city plan unanimously accepted by the commission.

Engineers from the city retained firm Russell and Axon, Daytona Beach, presented a comprehensive plan to the commission based on the 1947 survey brought up to date. Saying that enough interest can be saved to warrant combining the sewerage and water plans in one package, engineers expressed hope that Mayor Walter Ashley and commissioners present see the advantage gained in a combined plan. Commissioners Zack Ingram, Herman Close, Eugene Ellis and H. O. Carlton also agreed that the city would benefit from having Russell and Axon survey in the next 90 days the existing and potential need.

(Continued on Page 8)

Memorial Park Dedication Sunday

PAHOKEE — Pioneer Memorial Park will be dedicated on Sunday by the Hibiscus Circle of Pahokee Canal Point Garden Club. The ceremony in which Rev. Joe G. Clements will give the invocation and Dr. Rembert Guy the benediction will be preceded by a band concert by Pahokee High School at four o'clock on Sunday afternoon.

At the conclusion of the dedication ceremonies in which county and city officials will participate refreshments will be served by the committee headed by Mrs. R. W. Sanders and including Mrs. H. M. McIntosh, Mrs. O. R. Bleech, and Mrs. Stanton Chastain.

The public is invited to the ceremony although a special invitation committee under direction of Mrs. Lloyd Huddley has been set up to be sure that persons who might not otherwise know of the dedication will be notified to come.

PAHOKEE BAND OFF TO CONTEST

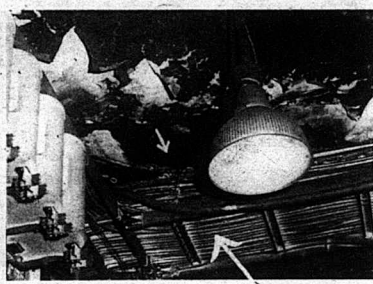

PAHOKEE — The High School Band numbering 55 students will participate in the annual State Band Contest to be held in Miami, Friday and Saturday, according to Bandmaster Robert O. Lampi.

Members will leave here by Greyhound buses at 6:00 a.m. Friday and return to Pahokee between 5:00 and 6:00 p.m. Saturday. They will stay at the Alhazur Hotel.

Estimated cost of trip is \$674.00. Chaperones for the event will be Mrs. William Howard, Mrs. J. M. Elliott, Mrs. J. E. Williams and Bandmaster and Mrs. Robert O. Lampi.

Teen Town Closed Tonight

Teen Town in Pahokee will be closed tonight because of the Folies of 1953 to be presented at the Pahokee high school auditorium tonight, according to Mrs. Rupert Mock, head of the Teen Town committee.

MELTED, HEAT WARPED and charred house cables are photographed against the smoke-blackened and blistered plaster peeling from the ceiling of the long lines room gutted by fire Monday at the Belle Glade Telephone Exchange building.

PRODUCERS, STRIKERS IN MEET

Glades producers plan to meet with Southern Bell Telephone Company management personnel to find ways and means to alleviate the critical communications problem occasioned by the gutting this week of long line equipment in Belle Glade exchange.

Producers met with union personnel on Wednesday evening at Belle Glade Country Club to seek the views on how a working arrangement for Glades communications can be established.

R. J. SCHRODER LION OF YEAR

PAHOKEE — Lion R. J. Schroder received the Ralph Stanley outstanding Lions award at the regular Lions meeting Tuesday.

Schroder was voted the most outstanding Lion and will be the first recipient to have his name engraved on the trophy named for the late Ralph Stanley who was voted outstanding Lion just prior to his death. Mrs. Stanley read Schroder's citation to the assembled club members.

Deputy District Governor of the Lions District Bobby Johnson was installing officer for the state of officers elected for 1953-54. Installed were Clyde Canipe, president, who succeeds Ralph O. Johnson; Melvin Spooner, first vice president; Dave Cunningham, second vice president; Leon Spooner, third vice president; Bill Moss, Lion tamer; M. J. Luce, tail twister; R. J. Schroder, secretary; Louis Walker, treasurer; Lewis Friend, director for two years, and T. E. Pennington, director for a similar period.

James W. Vann had charge of the awards program and introduced Mrs. Stanley and Governor Johnson.

South Bay Wins Festival Approval

SOUTH BAY — Commissioners in meeting Monday expressed satisfaction that the Glades communities can pull together for a common good. L. P. R. by reviewing the report made by William Masonic on the Corn Festival, said that packers and producers from the area had contributed to the success of the South Bay annual event.

Mayor S. J. Fisher expressed satisfaction for himself and Commissioners F. W. Kelley, Jr., W. C. Allen, W. M. Jeffries and Roberts at the success of the event.

Discussion of building permit requirements brought out the fact that policies determining representative valuations of properties now on the books and additions to the books should be arrived at. Equitable tax payments and benefits require that all of the valuations be made on town properties in accordance with precedents established by the Commission. M. J. Hardy and James Summerlin were issued building permits for house improvements. Two other applicants were denied permits until further investigation can determine the true value of the properties they wished to build.

In other actions, the Commission: AGREED to distribute remaining meat from the festival to the white and Negro schools; PAID bills.

Repairers On 24-Hr. Duty

Glades producers were stricken with almost complete communications failure at the peak of the produce season this week. An arsonist's hand dealt growers, packers and shippers a critical blow when the Belle Glade Telephone Exchange long line communications and dial room was gutted by what firemen termed a "planted" fire set early Monday morning.

Despite Herculean efforts of telephone management, repair crews, communications system was reported by producers as "still in bad shape" at OBSERVER press time.

24 Hour Repairs

Strikebound Southern Bell has kept 24-hour repair shifts at work all week mark up of 24 management and non-striking personnel from Jacksonville, Miami, and other Florida exchanges. These men are Western Electric foremen and supervisors and Southern Bell men holding various positions of equipment chief, service foremen, central office foremen, district chief and similar top echelon men, full complement of management and non-striking switchboard operators continue on duty to handle the traffic.

PAHOKEE — In a statement to the OBSERVER Ed Reddy, district manager for Southern Bell said:

"There have been strikes. There is a strike. It is likely there will be future strikes."

"The citizens of this community will not be intimidated, encourage, assist and insist that the authorities — City — County — and State — pursue to the fullest the offenders. The maximum the vandals who are guilty of arson and dynamiting. They are nothing less than mad dogs and given another opportunity will attack with violence to property and person. This fire in the Belle Glade Exchange has been a costly one to the Glades economy. A future act could be as much or more so."

with as much speed as available lines allow.

The fire, set by an unknown arsonist, was discovered about 3:20 Monday morning by Operator Mark Steward. The fire, named Chief Union Steward Leland Hardy who was on picket duty with Ben McGee. In the meantime, Steward had been set off and the fire department arrived. The fire itself was shot off since it was smothered for lack of ventilation. It resulted in knocking out about 50% of all local dial phones (about 400) and all but 12 of 86 long lines, in addition to some Western Union and teletype lines.

Damage High Southern Bell officials have so far estimated damage at about \$50,000 but feel that after more thorough investigation it will probably run much higher.

Strikers at the Belle Glade exchange were engaged all week by as many as 15 repair trucks, management and non-striking crew members, boxes of replacement parts and equipment from as far as California and official cars coming and go.

'We Don't Condone . . .'

EDITOR'S NOTE: The following editorial from the Tuesday edition of the Tampa Morning Tribune asserts accurately a view that responsible men and women CAN condone.

After a crowd of several hundred striking telephone workers and their sympathizers rioted in front of the Southern Bell exchange in Miami Saturday night, Union Vice President Howard Walton told the press:

"This sort of thing is not condoned by the union."
Mr. Walton or some other union official presumably will issue a similar comment on the incendiary fire at the Belle Glade exchange yesterday which did extensive damage and knocked out phone service in much of the Lake Okechobee region.

Union spokesmen previously have given out the same "Dear me, how naughty!" routine when asked about a series of cable cuts which have interfered with radio broadcasting and news wires as well as phone service.

These disclaimers of responsibility from union headquarters are wearing a little thin.

Obviously, the telephone company is not cutting its own wires and burning out its own exchanges. Strikers are the only ones with a motive for sabotage. Furthermore, there can be no question with a motive for sabotage. Furthermore, there can be no question with a motive for sabotage. Furthermore, there can be no question with a motive for sabotage.

If the union does not, as it says, "condone" violence and sabotage, just what is it doing to prevent its members from committing these lawless acts?

As far as we can see, the union has done and is doing absolutely nothing.

That goes, too, for the railroad workers' union in the L. & N. strike, which although remote from Florida has affected freight and passenger transportation to and from this state.

Saboteurs not only have damaged property in the L. & N. dispute—they have come precious close to murder. Six crew men were injured—and could have been killed—in the deliberate derailling of a freight train in Kentucky Sunday.

Yet the railroad union has evidenced little concern about these incidents.

A union can prevent lawlessness by its members if it wants to.

It can serve notice that any man who engages in violent sabotage will be immediately deprived of strike benefits and kicked out of the union permanently. It can set up its own policing squad to see that this rule is enforced.

Workers have a right to strike, unless bound by law or contract not to do so. And lawful strikers have a right to conduct peaceful picketing to solicit public support.

But a picket line confers no immunity from the ordinary rules of society. Strikers have no more license to destroy company property or beat up non-strikers than the company has to hire goon squads to crack skulls or bomb the homes of strikers.

State and federal laws today give labor all the protection it can reasonably ask in trying to better its lot through collective bargaining.

When members of organized labor abandon legal process for the clenched fist and the incendiary match they forfeit all right to public sympathy and support. A striker who commits assault or arson should be dealt with as any other hoodlum or villain; the agencies of the law should be as diligent in prosecuting these as other crimes.

But the responsibility for preventing and punishing strike violence does not rest solely upon officers of the law.

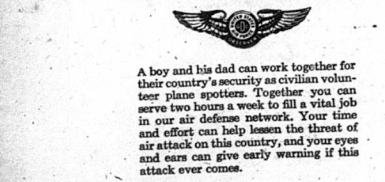

The union has a responsibility, too. If it has sufficient authority to bind its members to a contract on wages and working conditions, then it certainly has enough authority to see that its members play by the rules in a strike dispute.

Union leaders don't meet this responsibility by sitting with folded hands, while violence and sabotage crackle around them, saying:

"We really don't condone this sort of thing, you know. . . ."

WASHINGTON NEWSLETTER

By Sen. George Smathers
WASHINGTON — Florida's position as the second state in the union for military activities will remain unchallenged through 1956 if Congress approves substantially a new construction program which has been recommended by the Department of Defense.

A well-rounded program at 21 installations which would bring additional \$62,592,100 into Florida during the next year has been unfolded to the Florida Legislature. It emphasizes again military spending in Florida, which remains above World War II level and, of course, the highest of all peacetime years.

Besides major expansions at the huge Navy and Air Force bases which already are in operation in our state, the state is getting one of the only new military bases in the country—in the new Buckingham Weapons Center at Fort Myers. The Air Force already has scheduled construction costing \$11,535,000 for the first year, and the Navy expects to spend \$5,000,000 to be devoted to housing.

The Navy expects to spend \$5,000,000 to be devoted to housing. The Navy expects to spend \$5,000,000 to be devoted to housing.

Sikes' office their headquarters—the entire Florida Delegation met for dinner at the Statler Hotel.

MISCELLANY—Chief speaker at a Jefferson-Jackson Dinner in Alexandria last week was fire-eating Dante Passell, Chicago, who would agree to spend the night to invade one of the most hotly contested areas in the country, a district the Democrats.

For lunch with young bachelor Congressman Paul Rogers were nine members of the D. A. R. here for their national convention. Disappointed last week was Congressman Jim Haley. He was called by Sen. Rayburn to take the speaker's gavel and preside over the House—but he had previously obtained special permission to Affairs Committee and wasn't on the floor when his name was called.

Bennett has introduced a bill which would give free medical and dental training to young men who would agree to spend the same time in the armed services on active duty as they spent studying at government expense. Look for Congressmen Billy Matthews to speak out again this session for fixed prices for the farmers.

Also look for Bob Sikes and Charlie Bennett to go along with him. Only 7% of Florida's farm products come under the support program and most of that is in Matthews' and Sikes' districts. Bennett will go along because he used to be a farmer.

Matthews' district and feels strongly in their favor. more than \$11,500,000 at the facilities in the state. Green Cove bases; a total of \$1,222,000 at the Marine Corps Air Station, Miami; \$211,000 at the Key West NAS; and \$189,900 at Sanford NAS.

Besides Buckingham, Air Force bases to be enlarged: Carabelle Test Site, \$1,000; Eglin AFB, Valparaiso, \$4,428,000; MacDill AFB, Tampa, \$5,251,000; Palm Beach AFB, \$818,000; Patrick AFB, Cocoa, \$7,611,000; Pinecastle AFB, Orlando, \$4,469,000; and Tyndall AFB, Panama City, \$478,000.

The strategic position of Florida and the many natural advantages of the state for service training purposes speak for themselves, but the fact that the Air Force and Navy find Florida so inviting is a tribute to her people. The patriotic cooperation of many of Florida's civic leaders and local public officials has been exemplary, and has strengthened the congressional delegation in its efforts to establish these desirable operations in our state. Their success again is a tribute to the intelligence and the genuine harmony which marks the shoulder-to-shoulder work of your senators and congressmen, each of whom has thoughtfully considered the state's needs in his Washington endeavors. Each therefore has been able, in his own way and in his selected field, to contribute to the advancement of Florida and the strengthening of the state's economy. I am proud to be a part of this hard-working, obviously effective team.

Easing travel restrictions: I have written to Immigration Commissioner Joseph M. Swing, urging that new steps be taken to simplify United States travel by citizens from Latin America.

Against Echo Park Dam: Many Florida ladies, especially those from Garden Clubs, have written me in the past year urging me to vote against the Echo Park Dam, on the grounds that the "proposal threatened the majestic natural beauty of the place. I agreed with them and last week I did oppose the measure. However, my efforts were unavailing, and it passed.

New Tax Deadline: We have had a number of letters from various parts of the United States thanking us for our part in helping extend the income tax return deadline from March 15 to April 15. They said it enabled them to spend an extra month of their winter vacations in Florida, while last year they had to return early in March to get ready for income tax time.

It seems a shame, however, to force anyone to end his Florida vacation even as early as April 15th. So I have under consideration in the tax committee a proposal to extend this deadline, for fixing income tax returns, to May 15. This could be done without any cost to the government, it would be an aid to business, and a boon to our tourist trade. Many of our visitors would be happy to remain in our sunshine until winter is past up north; our Florida people would be happy for them to stay.

Florida's position as the second state in the union for military activities will remain unchallenged through 1956 if Congress approves substantially a new construction program which has been recommended by the Department of Defense.

A well-rounded program at 21 installations which would bring additional \$62,592,100 into Florida during the next year has been unfolded to the Florida Legislature. ROBBERIES

By BENJAMIN S. ROBERTS
AUTOMATION HITS FLORIDA FARMS

Florida Farm Bureau authorities released information this week that indicates automation is not far off on Florida farms. According to their information the research department of a big farm organization has produced an automatic stock feeder which blows a horn and then puts feed in the trough. Animals, they report, catch on quickly to the significance of the horn blast and come running for chow. Some wag has asked, "What will be the result of the horn blast?"

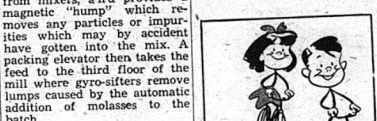

In a more serious vein, a local manufacturer of cattle feed has installed devices which automatically weigh, measure and mix ingredients for pre-set rations. Although these devices are limited in number, they are similar to, but smaller than those in a fully automatic plant built by the Cooperative Mills at Seaford, Delaware.

There, ingredients are poured into three 5000 bushel hoppers after being automatically measured and removed from storage bins. Ingredients for a pre-determined ration are then weighed by a conveyor and then vertically in batch elevators to two horizontal batch mixers. The mixers automatically open and close. A bin with a capacity of 12000 lbs. receives feed from mixers, and provides a magnetic "hump" which removes any particles or impurities which may by accident have gotten into the mix. A packing elevator then takes the feed to the third floor of the mill where gyro-stirrers mix the lumps caused by the automatic addition of molasses to the batch.

Bag Selector: If the ultimate consumer wants 100 lb. bags, that information is tabulated on a control board and feed is automatically measured and dumped in accordance with this specification. The bags are sewed up, shifted to conveyor belts and sent to waiting railroad cars for transport to the feed lot. The

machine has been so designed that if, after the mix has been completed, the consumer wants pellets of bulk feed, a device like a funnel lets the mix fall into a pellet mixer and the process of forming, packing and conveying is similar to the bulk plan previously mentioned. This particular mill is situated on the water, making possible receipt of grains from the entire Chesapeake Bay area. More than 90% of all ingredients are received in bulk.

Although the plant can receive, dry and shell up to 20,000 bushels of corn a day, it employs only 40 persons in mill and office. Within the mill which can load a 30 ton car in slightly more than 60 minutes there are 22 miles of electric wire, 1686 feet of outside screw conveyors and 700 feet inside. Enough electricity is used each day to serve 500 to 600 five or six room houses.

NATIONAL SAFETY COUNCIL

From where I sit... by Joe Marsh.

Red Finds a "Sweet Solution"

Red Jackson found a slick way to get his cows to eat what's good for them. Seems they were passing over the tall green grass—full of minerals and vitamins—and eating the short grass, which is naturally sweeter.

Red solved the problem by spraying a solution of corn syrup over the grass that was going begging. The cows sure went at it. Red says it's lucky for him—and the cows—that every one of them has a "sweet tooth."

Next week, according to Red, he's going to have his cows clean up all the weeds grass along his fences and spray them with more corn syrup, of course.

From where I sit, some folks, like Red, are always trying out new tricks—and others stick with the old tried-and-true methods for a question of preference. I guess, like the way you may enjoy coffee with meals, while I prefer a cold glass of So-Seltz, not allow any bad feelings to "crop up" by thinking ours is the only choice.

GROWING WITH THE GLADES

LOOKING INTO THE FACTS...

No Protein—No Production

"There is no way of short-changing a cow on protein and still have a cow that will produce a calf every year. A cow short of protein will tend to have a calf one year and skip the next. She has to do this because she needs to recuperate and give birth to another calf. This is nature's way of protecting her against the lack of protein."

"Quoted from article by T. J. Cunha, Florida Agricultural Experiment Station..."

Now! CONSUMERS FEED brings you these facts from the experts at a service to the ever-growing cattle industry of the GLADES.

PERSONALS

PAHOKEE - CANAL POINT

BY MRS JOHN DULANY Phone 3761

Mrs. J. C. Phillips has returned to her home at Wauchula following a visit with her son-in-law and daughter, Mr. and Mrs. Paul Sasser and family.

Mrs. Clara Eden of Atlanta, Ga. is visiting her sisters, Miss Lucille Williams and Mrs. Alma Farrow.

Mr. and Mrs. Robert Phillips were the weekend guests of her mother, Mrs. Laura Bootlby in Tampa.

Mr. and Mrs. Charles McQuaig, jr. and family of Texas City, Tex. were the guests Friday of his uncle and aunt, Mr. and Mrs. R. J. Schroder.

Mr. and Mrs. Frank Thompson have moved into their new home constructed here in the Rice subdivision. Mr. and Mrs. Ralph O. Johnson will occupy the Tills apartment vacated by the Thompsons.

Mr. and Mrs. H. H. Graham of Naranja visited their son and daughter-in-law, Dr. and Mrs. E. J. Graham and family en route to Franklin, N. C. where they will spend some months at their summer home.

Willard McCurdy, student at University of Florida, Gainesville, visited his mother, Mrs. W. W. McCurdy on the weekend.

Mrs. Leo Maxwell entertained with a "Come As You Are Party" Friday morning at her home, in compliment to Miss Lil Teasley, a former Pahokee resident. Miss Teasley is moving from South Carolina to Tampa to reside.

Miss Betty Bush, daughter of Mr. and Mrs. A. P. Bush, has completed her secretarial training at Massey's Business College in Jacksonville and is now employed with the Mason-Morgan Loan and Insurance Company. She expects to visit her parents here this weekend.

Ben Waring of Madison, former Pahokee resident, visited several friends here Tuesday, including the families of L. W. Weeks, D. W. Cunningham and John A. Dulany.

Mrs. Mildred Schoepel and daughter Miss Gaye Schoepel, accompanied by her sister, Mrs. Gordon Hillier and children David and Lydia Ann were called to Orlando on the weekend because of the illness of their father, Dan Jacobs. Mrs. Schoepel and Gaye returned Sunday while Mrs. Hillier remained for a longer visit with her parents as it is very probable Mr. Jacobs will undergo surgery.

Mrs. Laura Ferraro recently visited Mrs. Bessie Williams of Florence, S.C. in Miami where the latter was attending the American Nurses Association convention. She is chairman for Private Duty Section of ANA and past secretary for district 2 of South Carolina State Nurses Assn. Mrs. Williams was a former student nurse under Mrs. Ferraro at McLeod Infirmary.

In Florence, Mr. and Mrs. Emily Wooten accompanied her to Miami.

Mr. and Mrs. F. G. Gillis and her mother, Mrs. Helms were called to North Florida Monday because of the death of the latter's brother.

Mrs. Ralph Grimes taught the home economic classes of Miss Connie Smith at Pahokee high school the first of the week as Miss Smith was ill.

Mr. and Mrs. Robert Kunkel and family of Johnson City, N. Y. have moved here to make their home and are residing in the property of Mrs. H. T. Williams on Belle Glade Rd. Mr. and Mrs. Richard Mole and family who formerly resided there have moved into a house in the 200 block of Banyan Ave.

The fourth grade pupils of Roy Evans room of the Pahokee Elementary School attended the Florida State theater Tuesday to view the picture "The Glass Slipper." Mothers accompanying.

Mrs. A. W. Weeks is visiting her son-in-law and daughter, Dr. and Mrs. Edward Hamilton and family in Gainesville.

Mrs. Jessie Bleech of Jacksonville is visiting her son and daughter-in-law, Mr. and Mrs. O. R. Bleech.

Mr. and Mrs. Thomas Handley and Mr. and Mrs. Clyde Barlow were weekend visitors in Jacksonville. They were accompanied by Mrs. Handley's sister, Mrs. Roy Vandenberg.

The group included Mrs. E. Griffith, Jr., Mrs. Norman A. Kennedy, Mrs. Thomas Handley, Mrs. James Wilson, Mrs. Louis F. Mims, Mrs. John Hicks, and Mrs. James Batchelor.

Mrs. L. J. Gerrey of Winston Salem, N. C. has been visiting her brother-in-law and sister, Mr. and Mrs. J. D. Stacy and family of Bryant. She was called home by the death of her brother, K. B. Eldon, Jr. of Cleveland several weeks ago.

Mr. and Mrs. Eugene Reed and family accompanied by Mrs. R. E. Wolfe and son Barry, and Tina Handley visited at Jensen Beach, Sunday.

Mr. and Mrs. Carmen Salvatore sr. observed Mr. Salvatore's birthday anniversary Sunday. Attending the family reunion were sons and daughters and their families: Mr. and Mrs. Jack Paulette and son Jackie of Tampa; Mr. and Mrs. A. R. Heron, jr. of Fort Lauderdale, Mr. and Mrs. Milton Salvatore and

Weddings and Engagements

Mrs. Ralph O. Johnson

FANDREI SIMS

Mr. and Mrs. E. C. Edwards of Hammond, Ind. announce the engagement and approaching marriage of their daughter, Rita Fandrei to Bennie Franklin Sims, son of Mr. and Mrs. E. C. Sims of Canal Point.

Miss Fandrei is a graduate of Hammond High School, "Whitworth Junior College and Indiana University. At present she is the physical education instructor at Pahokee High School.

Mr. Sims is a graduate of Pahokee High School where he was an outstanding athlete. He is employed by the United States Sugar Corporation. Plans for a July wedding have been made.

TROOP 22 HOLDS COURT OF HONOR

CANTON, OHIO—Miss Mary Janet Raley, daughter of Mr. and Mrs. James R. Raley, was married April 16 to Ralph O. Johnson of Pahokee.

The ceremony was performed in the Duerbe, Avenue Methodist Church by the pastor, Rev. Mr. Foreman, with Rev. Dr. Wilson assisting. There was a reception following the ceremony at the home of the bride's parents.

The bride wore a gown of lace and satin. Her flowers were white daffodils and white hyacinths with ivy.

Mrs. Earl Ickes was her sister's matron of honor and Miss Elizabeth Eakle served as bridesmaid. Lucinda Ludwig was flower girl. The bride's attendants were attired in like gowns of pink lace with tulle skirts. They carried spring flowers in rainbow hues. The best man was John Sutterfield. Earl Ickes, brother-in-law of the bride, was usher, and James Ickes, the bride's nephew, was ring bearer.

Mr. and Mrs. Johnson will travel through the north-eastern United States before returning to make their home in Pahokee, Fla.

Mrs. Johnson is a graduate of the Medical College of Virginia School of Nursing. Her husband is an attorney, an alumnus of Florida Southern College and the University of Florida.

HOBSONS ARE IDEAL FAMILY

The Junior Chamber of Commerce of Belle Glade confirmed a fact that was well known to the community when it chose as the "ideal family" that of Frank O. Hobson, his wife, Libby, and their three children, Don, Joe and Beth. "Doing things together" from a cross-country vacation to California which included sleeping out in the open with friendly bears as barbecued guests, to back yard parties, is a requisite of a closely knit family life, the Hobsons believe. Mr. Hobson is the principal of the local high school and does much to promote sports of all kinds for all ages. He was a former coach of the Pahokee Blue Devils. He is a member of the Lions and Elks Club in Belle Glade. Mrs. Hobson, is the daughter of the Judge and Mrs. E. B. Donnell of West Palm Beach and teaches the 6th grade at the Osceola School. Her hobbies are varied and include sports, music, art, sewing, gardening and various aspects of homemaking. She at one time taught Home Economics in the Pahokee school.

Don, 11 years old, is in the sixth grade. He is a scout and plays in Little League baseball. Joe, 10, is in the second grade and Beth, is in the first grade. The family participates in church affairs and are active members of the Community Methodist Church. Don is one of those to join the church on Palm Sunday. Mrs. Hobson sings in the Chancel Choir and Don is in the Lyric Choir. Mrs. Hobson is a sister of Mrs. Clyde Canipe of Pahokee. The Hobson family will compete with other "ideal families" in the state contest to be held soon in Miami Beach.

Glades Art Students At U of F Exhibit

GAINESVILLE, Apr. 25—Sixteen high school teachers and 106 students came to the University of Florida April 23 to participate in the largest high school art exhibition ever held in the state. Glades County was represented by Spencer Scarborough, Rodney Sweet, Carl Hayes, Norma Neider, William Parker, Mary Keene, Dale Rosenberg, Gaye Schaeppel, Betty Harrison.

TROOP 28 SPENDS WEEKEND IN CAMP

Twelve members of the Pahokee Boy Scout Troop 28 will spend the weekend at Lake Osborne Boy Scout camp of the Gulf Stream Council, accompanied by Scoutmaster Louis F. Mims, Neighborhood Com. Ed Carver and Advancement Com. Robert McIntosh.

The boys have been chosen on the basis of outstanding service to the troop and will take a leadership training course in scouting. Attending will be Leon Beede, Larry Beede, Denny Padgett, Carol Watson, David Riddle, Gene Crews, Dale Rosenberg, Lester Lindorse, Charles Rewis, Bennie Baxter, David Fountain, Ronnie Crosby.

LEGIONNAIRES REQUESTED TO MEET MONDAY NIGHT

PAHOKEE — Legionnaires have been asked to turn out in force for the regular Monday meeting. At that time election of officers will take place and other business of moment will be discussed.

PERSONALS

SOUTH BAY BEAN CITY LAKE HARBOR BY MRS. WM. MASONIC Telephone 2419

Mr. and Mrs. James Grant of Naples visited her sister and brother-in-law, Mr. and Mrs. J. Harrell and family and sister Miss Hazel Prevatt on Sunday.

Mrs. Royne Davis was taken ill last Friday evening while assisting with preparations for the Sweet Corn Festival and was taken to the Belle Glade Hospital where she was placed under an oxygen tent. She was able to return to her home on Monday.

Sharon Roberts is happy to have the plaster cast removed from her arm after six weeks time. Sharon broke her arm when she fell while playing in her home.

Mr. and Mrs. Donald Barnes and son Harold of Miami visited Mr. and Mrs. A. B. Barnes over the weekend. Also visiting at the Barnes home on Saturday were Patsy and Linda Keene of Pahokee.

W. C. Allen, 9th District Commander of the American Legion, recently made an official visit to the Belle Glade Post. Dr. Jerome Rubin flew in from Mariana on Saturday to visit his wife and family over the weekend. Dr. Rubin is a dentist at the Florida Industrial School for Boys.

Miss Jane Allen, accompanied by her mother, Mrs. W. C. Allen, travelled to Jacksonville to pick up her things from the Weiden Hair Styling School from which she recently graduated. Miss Allen will be employed as a hairdresser in Belle Glade. In a state wide hair styling contest held in Miami Beach last February Miss Allen took fourth place and in a Duval County contest in February she placed second.

While playing on the swings in the city park last Friday,

Kathy Furgerson had the misfortune of breaking her arm and was taken to St. Mary's Hospital in West Palm Beach where she remained until Saturday.

Linda, Therese and Buddy Wilder are confined to their home with the measles.

Andy Cooper has returned home from the Belle Glade Hospital where he was confined for ten days with an asthmatic condition.

Mrs. James Grant of Naples was a weekend guest of Mr. and Mrs. E. Dasher of Okeelanta. Mr. and Mrs. John Benson of Niagara Falls, Can., visited Mr. and Mrs. Cecil Grant over the weekend.

M. L. Bailey has been confined to his bed for several days suffering with leg pains.

Mr. and Mrs. W. R. Jeffries and son Billy have moved to Riviera Beach where he is engaged in the accounting business.

Mrs. Annie Cooper has returned to her home from the Belle Glade Hospital.

Miss Maxine Walker of Miami spent the weekend with her mother, Mrs. Edna Walker.

Due to her father's illness, Miss Betty Miller has returned to her home from North Carolina where she was attending a beauty school.

Mrs. J. W. Austin of West Palm Beach is spending a week with her daughter, Mrs. W. M. Jeffries, and also spending some time with her granddaughter, Mrs. T. E. Weathers of Moore Haven.

PTA BOARD MEETS THURSDAY

Mrs. John A. Dulany announces that the last executive board meeting of the current school year of the Pahokee Parent Teacher Association will be held Thursday, at 3:30 p.m. at the school auditorium. All officers and chairmen are urged to be present so that the year's plans may be completed.

JUNIOR WILDLIFERS STAND FIRST

PAHOKEE — Junior Wildlife Conservationists stood at first place among the 12 clubs in the District for January 1955. Rated on accomplishment, activities, studies and general preparedness, the wildlifers excelled over Miami—Allapattah Optimist Junior Conservation Club which stands second over the Rod and Gun group in St. Petersburg holding third place.

SOUTH BAY PTA INSTALLS MONDAY

SOUTH BAY — The South Bay Parent-Teachers Association will hold its final meeting of the year next Monday at 8 p.m. in the school auditorium.

at which time the new officers will be installed. The showing of two films pertaining to home and family life is planned for the evening's entertainment.

PLAYGROUND IS LIONS PROJECT

The Canal Point Lions Club made plans Monday night to repaint the playground equipment at the Canal Point playground. Principal Carl Crawford announced that George Wilkinson a member of the Canal Point school faculty is planning to organize a little league and requested the cooperation and support of the parents.

Let the other fellow decide for himself whether or not he wants his woodland burned off. Don't do it for him!

GLADES CLUB EVENTS

Beta Sigma Phi Honors Mothers

Mothers of Beta Sigma Phi's will be honor guests tomorrow at a Founders' Day tea to be held at the home of Mrs. E. J. Graham.

During the calling hours, between 3:30 and 5:30, the society girl of the year will be announced. Each year the Beta Sigma girl who has made the most outstanding contribution to some field of endeavor is so honored.

Mrs. E. D. Sims is social chairman of the society and Mrs. Ellis Wilkinson is program chairman for this occasion.

DEMONSTRATION CLUB LISTS PROGRAM

The local Home Demonstration Club will observe next week as National Home Demonstration Week in Belle Glade with a window display at Daddy Dick's Juvenile Shop, showing various articles made by local women.

Miss Sara Horton, Palm Beach County Home Demonstration Agent stated that the purpose of National Home Demonstration Week is to acquaint more families, especially young families, with the educational program in homemaking, conducted by and for homemakers; to encourage families in improving the communities in which they live; and to recognize volunteer leaders of home demonstration groups whose services contribute greatly toward better homes and community life.

RUG CARE CLUB TOPIC

The Home Demonstration Club of Belle Glade met April 22 at the Women's Club. Miss Sara Horton, county home demonstration club agent, gave the program which was on "The Buying and Care of Rugs." The group voted to have a window display during National Home Demonstration Week which is May 1-7, at Daddy Dick's Juvenile Shop. Miss Horton announced that "Achievement Day" will be April 29 at the County Agricultural Building in West Palm Beach.

Those present were: Mrs. Delia Altman, Mrs. Urban Feikson, Mrs. Clara Gledhill, Mrs. Milton Giese, Mrs. W. R. Hooker, Mrs. R. W. Kidder, Mrs. David Motes, Mrs. W. J. Rawls, Mrs. E. W. Scheffler, Mrs. George Wedgworth, Mrs. G. W. Byrd, Mrs. T. E. Hollingsworth, Mrs. Wayne Ellis, Mrs. Hubert Swain, Mrs. W. F. Knight. The hostess was Mrs. Milton Giese.

GARDEN STUDY CLUB ELECTS OFFICERS

Mrs. A. F. Hopson and Mrs. R. Y. Creech, Jr., were hostesses for the Belle Glade Garden Study Club, at the latter's home, last week. Officers for the ensuing year were unanimously elected as follows: Mrs. A. F. Hopson, president; Mrs. Barnes Smith, vice president; Mrs. Ruth Pentz, secretary; Mrs. Barnes Creech, treasurer; Mrs. Elmer Osking and Mrs. Luther Jones, directors-at-large.

In the absence of the president, Mrs. Hopson presided at the business meeting. Mrs. Ralph Kirk reported that pamphlets on the culture of chrysanthemums had been given to club members at the recent work-shop. A report was given by the secretary of the work-shop held at the Wedgworth Cottage under the direction of Mrs. George Holcomb, of Fort Myers. Mrs. Hopson gave a report on the recent state convention. Mrs. Luther Jones presented to the club a copy of the flower show booklet of the national federation of garden clubs. She also, announced that the Garden Study Club had been accepted for membership in the Federation of Garden Clubs.

Mrs. Roy A. Bair announced that the first annual meeting of the Hemerocallis Society would be held at the Colonial Town Woman's Club in Orlando on Sunday, May 1 with a special Hemerocallis show scheduled from 11:00 a.m. to 6:00 p.m.

PAHOKEE WOMEN HEAR JESSE REEL

"The Bible and the American Home" was the subject discussed by Jesse Reel at the Pahokee Woman's Club luncheon meeting Wednesday. He was introduced by Mrs. E. J. Schroeder, chairman of the Bible and the American Home committee. Mrs. Hugh Branch sang "Bless this House."

Mrs. Norman A. Kennedy, president, presided. It was announced that members were to attend the installation luncheon of the Belle Glade Woman's Club to be held at Clewiston Inn, Wednesday.

Grand Chapter Report At O. E. S. Thursday

The regular meeting of Belle Glade Chapter No. 197, Order of the Eastern Star, was held Thursday evening at the Benevolent Hall. Mrs. Stella Pirkle and Mrs. Louise Zumpf gave a report of Grand Chapter proceedings which they had attended in Tampa, April 11-14. They announced that Joe Cherry is now associate grand patron of the grand chapter of Florida. It was also announced that Mrs. Fern Dilley, Moore Haven, is the new grand instructor for District 18. Guests were Mrs. Iva Snyder, Mrs. Gladys Harrington and Mrs. Edna Barrett, Pahokee; Mrs. Essie Robison, Mrs. Bessie Montgomery and Mrs. Stella Pirkle of Clewiston Sugarland Chapter; and Mrs. Sara Smith of Lafayette, Ind. Serving refreshments were Mr. and Mrs. Solie Corbin and Mrs. Pat Brent.

PAHOKEE AND BELLE GLADE ROTARIANS celebrated the 50th anniversary of Rotary and the 25th year of the Pahokee Club at a dinner meeting honoring Rotary-Ann at the Canal Point Community Center recently. Photographed (l. to r.) are Belle Glade Lion President and Mrs. F. C. Schoenfeld; Past District Rotary Governor and Mrs. Abby Cox; Belle Glade Rotary President-elect and Mrs. Roscoe L. win; Belle Glade Rotary President and Mrs. Thadd Whiddenden; Pahokee Rotary President-elect and Mrs. Clyde Campbell and Pahokee Lion President-elect and Mrs. Clyde Campbell. B C LEGION AUXILIARY ELECTS OFFICERS

Belle Glade American Legion Auxiliary Officers were elected Monday night at the Legion Hall. They were as follows: Mrs. Ruth Pentz, president; Mrs. Louise Kicklighter, first vice president; Mrs. Greadie York, second vice president; Mrs. Sylvia Jones, treasurer; Mrs. Alma Osking, chaplain; Mrs. Happy Ogle, historian; Mrs. Coleen Motes and Mrs. Alice Morris, sergeants-at-arms; Mrs. Mary Riley, Mrs. Mildred Coleman and Mrs. Jane Rashley, executive board; delegates to the department convention at Sarasota May 19-22, Mrs. Ruth Pentz, Mrs. Lurline Brooks and Mrs. Sylvia Jones.

Mrs. Riley stated that the local Auxiliary had been asked to get favors from the Everglades to present to dignitaries at the National Convention in Miami in October. She also, stated that a group of auxiliary members would go with members of the American Legion to the Veterans Hospital in Coral Gables on Monday, May 2, to participate in Bingo.

WOMAN'S CLUB TO INSTALL WEDNESDAY

The Installation of Officers of the Belle Glade Woman's Club will be held on Wed. 4 at 1 p.m. at the Clewiston Inn. Mrs. E. D. Pearce, President of Florida State Federation of Women's Clubs, from Miami, will be the guest speaker. Arrangements are in charge of Mrs. I. L. Price. All members are urged to attend. Members of the Pahokee Woman's Club will be guests.

HOTTEST-SELLING BUICK IN HISTORY
No wonder you see so many Buicks on the highways — they're rolling up bigger sales than ever before. Buick one of the "Big Three" of America's best sellers.

\$2628.00 *
delivered locally!

*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, and local taxes, if any, additional. Prices may vary slightly in different communities. Even the National Automobile Dealers Association has named Buick one of the "Big Three" of America's best sellers.

UNLESS we miss our guess, a lot of surprised people are going to do some new back-of-an-envelope arithmetic when they see the Buick price shown here.

Because we know that many folks still don't realize how little a Buick really costs — that the dollar-difference between this big Buick SPECIAL and the leading smaller cars has virtually disappeared.

Buick Sales Are Soaring As Never Before

But more and more of them are finding it out. And that's a major reason why Buick production and Buick sales are soaring to all-time highs today — and why Buick again is outselling all other cars, regardless of price range, except two of the well-known smaller cars.

Big reason, too, for this soaring popularity is Buick's full line of automobiles, giving you a choice in any price class — the rock-bottom-priced SPECIAL, the high-powered CENTURY, the supremely spacious SUPER, and the custom-built ROADMASTER.

But above all, more and more people are discovering that the price you pay for a Buick buys more sheer automobile than the same money buys elsewhere.

More advanced styling, more deep-down comfort, more pure power thrill, more ride steadiness and handling ease and solidity of structure.

More spectacular performance, too, from the modest extra cost of Buick's automatic transmission.

For here you get Variable Pitch Dynaflo — the new wonder drive born of modern aeronautics to give you instant full-power getaway and acceleration when needed — and far better gas mileage when cruising.

Why not come see us this week, for sure? We'll be happy to have you test-pilot a new Buick, just for the sheer thrill of it — and show you quite clearly that if you can afford any new car, you can afford a Buick.

†Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Church Activities In The Glades

FIRST CHURCH OF CHRIST, SCIENTIST, Belle Glade CHRISTIAN SCIENCE GROUP, Canal Point

Divine healing which casts out evil and restores harmony on the basis of God's love and goodness will be set forth at Christian Science services this Sunday.

The Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" will include the account of healing as recorded in The Acts of the Apostles (5:12 to 16): "And by the hands of the apostles were many signs and wonders wrought among the people. There came also a multitude out of the cities round about unto Jerusalem, which were vexed with unclean spirits; and they were healed every one."

Also stressing the practical power of Christian healing is the following passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God will heal the sick through man, whenever man is governed by God. Truth casts out error now as surely as it did nineteen centuries ago" (495:1-3).

ST. MARY'S SOCIETY ELECTS NEW OFFICERS

The Altar Society of St. Mary's Roman Catholic Church, Pahokee, elected officers for 1955-56 at the regular meeting Wednesday at the home of Mrs. G. Gabaldon.

Mrs. Frank Shaughnessy was elected president to succeed Mrs. Jack Repper who presided at the meeting. Also selected for the new year were Mrs. Cecil Hall, vice president; Mrs. George Meade, secretary treasurer; and Mrs. C. L. Wilder, publicity.

BAPTISTS WMU STUDY GROUPS

The WMU of Pahokee First Baptist Church will honor all past presidents and grandmothers of the organization with a social at the church tonight, Friday, at 7:30 p.m. Mrs. Rupert Mock, Mrs. David Unwin, Mrs. Herman Kautz and Mrs. W. H. Kemp, members of the social committee are in charge of arrangements; Mrs. H. C. Graham is in charge of the entertainment.

"What and Where is Honk-hong?" was the subject of the WMU program held Monday afternoon at the church with Mrs. F. G. Gillis, president, presiding. Presenting the program were Mrs. C. R. Wetherington, Jr., Mrs. Horace Unwin and Mrs. Lucy Thompson, members of the Lucy Jones circle. Mrs. Margaret Thompson led in prayer. The interest center consisted of a number of Chinese articles. Mrs. W. A. Keen announced that the community mission project is providing a rolling library for the Everglades Memorial Hospital. Members were asked for book donations.

Children's Day Is Methodist Theme

A program with the theme "The Difference It Makes When a Child Attends Church School" will be presented at Pahokee First Methodist Church School next Sunday morning, at 9:45 a.m., in observance of Children's Day. Mrs. Lloyd Hundley, superintendent of the Children's Division, will be in charge. The program will consist of the following numbers: recitation by Alice Elaine Hurt; song, "Fairest Lord Jesus" led by Rudolph Vann; Scripture, Psalms 78: 2-7 read by David Slaughter; call to prayer and praise; prayer by Supt. Jack Spencer; presentation of gifts by kindergarten department's primary department and junior department and an invitation to "Open Your Home to God" by Jesse Reel.

GLADES JEWISH COMMUNITY CENTER

The regular weekly services of Glades Jewish Community Center were held at the Women's Club last Friday, April 22, and were well attended. We were happy to greet Mr. and Mrs. Sid Wasserman of New York, who are here in Belle Glade visiting Mr. and Mrs. Arnold Lee. We also were delighted to greet and out-of-town visitor from Akron, Ohio, Mr. Abe Paul. Also, we were happy to greet Mrs. Frances Small of Cleveland, Florida. Mrs. Lehrer announced that Mr. and Mrs. Harry D. Lehrer of Pittsburgh, Pennsylvania, expect to be in Belle Glade this coming week. At H. D. Lehrer is bringing a SEFER TORAH with him which will be donated to the Glades Jewish Community Center. This SEFER TORAH originally was owned by the late father of the president, and came from Palestine.

PAHOKEE WSCS PLEDGE SERVICE HELD

The annual pledge service of the WSCS of First Methodist Church will be conducted Monday night, 8 o'clock at the church. Mrs. R. F. Hurt, secretary of the spiritual life committee will be assisted by Mrs. Ronald Watson, Mrs. R. M. Sanders, Mrs. Arch Blakey, Mrs. Louis Davis and Mrs. John A. Dulany as committee on arrangements. Names will be drawn for circle membership for the coming year.

MOTHERS FETED AT BAPTIST CHURCH

At the Sunday morning services on May 8th, the South Bay Baptist Church will pay special honor to the mother with the most children present, the youngest mother and the oldest mother, with each of those ladies receiving a lovely corsage.

MISSIONARY BAPTIST SERVICES ANNOUNCED

The First Missionary Baptist Church of Canal Point announces its annual Homecoming Services; Sunday, Singing will begin at 11 a.m. and continue until five p.m. Lunch will be served at noon on the church grounds. All are cordially invited to attend. There will be a number of South Florida quartets featured on the program and the Glades Singing Convention will be in attendance also.

Revival services will start at First Missionary Baptist Church in Canal Point Sunday night, The Rev. Buford Chilcoat of the First Baptist Church of Chosen will be preacher for the services. The public is invited to attend.

The Youth of the First Missionary Baptist Church of Canal Point attended the Youth Rally at Salerno Saturday night. The young people have won the attendance banner for four consecutive months. The next meeting will be held at the First Missionary Baptist Church at Canal Point, Friday night, May 27, 32.

Among those attending from Canal Point were: Evelyn Prince, Bobby Rogers, Bobby Mills, Dale Stacy, Evelyn Stacy, Betty Stacy, Loretta and Mary Francis Barfield.

SOUTH BAY WMU STUDIES HONG KONG

The WMU of the South Bay Baptist Church met on Tuesday afternoon at the church. The subject of the meeting was "The Island of Hongkong." After the devotion by Mrs. John Cooper,

the meeting was turned over to Mrs. H. C. Willis, program chairman, who then introduced those taking part in the program. Giving an interesting historical background and other information on the subject matter were Mrs. W. M. Jeffries, Mrs. R. A. Hall, Mrs. M. J. Hardy, Mrs. J. James Henry, Mrs. Thurmon McKinley, Mrs. Ed Leathlean and Mrs. Zeke Patten.

ALTAR SOCIETY OFFICERS WILL BE INSTALLED

Newly elected officers of St. Philip's Altar Society will be installed at a dinner meeting Tuesday at 7:30 in the evening at the Edelweiss. Mrs. George Pitzen, Clewiston, deannery vice president of NCOW will be installing officer. Mrs. Rosa Nash will be the new society president and Mrs. J. N. Paff, vice president. Mrs. Guy Wilson will be installed as secretary and Mrs. Walter Ashley as treasurer.

JAYCEES' SLATE OF OFFICERS PRESENTED

The following slate of officers for the ensuing year was presented at the local Jaycee meeting last Thursday evening. For president, LeBron Williams and Tommy Parker; first vice president, John H. Kinlaw and R. E. Showmaker; second vice president, Benny Richmond and Charles Hickman; treasurer, Alvin Steele and Harold Zump; secretary, Barnes Smith and Grant E. Averill; board of directors, Bob Newman, George Rashley, Hubert Anderson, Paul Lewellyn, Lawrence Connell, Eddie Crosby, Carl Dean, Glade Jones, Tom Carle and Basil Cook. Election of officers will take place on the regular meeting Thursday and voting will take place on the repeal of certain parts of their constitution and by-laws.

Members voted to endorse early appropriation of funds for building the local Armory and

favored writing Representative Emmett S. Roberts on the sub-courthouse. Hubert Anderson and Tommy Parker were chosen as delegates to the State Jaycee convention to be held in Miami on April 28-30, with Eugene Ellis as alternate.

A REPORT TO THE PUBLIC ON THE TELEPHONE STRIKE

Southern Bell deeply appreciates the efforts made by the Governors to settle the telephone strike.

We regret that we were not able to convince those who represented the Union that the company's proposal for increased wages, expanded arbitration, and other contract improvements is fair and liberal. It protects the interests of the public, the employees and the company.

We will continue our efforts to convince union leaders of its benefits and advantages. We hope we will be successful.

In the meantime, telephone service continues good. Over 30,000 telephone men and women are on the job. More are returning every day.

We are handling our normal volume of long distance calls. Local service is 85 per cent dial - operated, and in the other cities and towns where operators handle the calls, the service is generally normal. Over the South, the messages are going through.

This would not be possible without the great encouragement and cooperation given us by telephone users everywhere, and by the skill and spirit of telephone folks on the job. To both groups go our warmest thanks.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

Serving The South For 75 Years

IT'S UP TO YOU

By Howard E. Kershner, L.H.D.

From year to year we find new words in our language and new meanings for old words. The word "Semantics" has come to be commonly used because it is the name of the "science of meanings." We all want to know what words mean. If we do not agree on the meanings of words we cannot understand each other.

The word "crisis" in Chinese is made up of two characters which mean "dangerous opportunity." Some Chinese seem to like "dangerous opportunities" because they may have a chance to win, and if they lose their lives in death, they have escaped this ugly life and have gone on to something better.

To these Chinese, the word "crisis" represents a desirable thing to have and to create. Thus the Chinese philosophy, basic religion and world meaning point the way into the hands of the Communists who like to see other people in trouble. The more trouble people have the weaker they become. The weaker people are, the easier they become prey for Communism.

All totalitarianism functions as a culture living on that which it has not earned, taking what others have, and poisoning unsuspectingly upon weakened peoples.

In America the word "crisis" means a decisive moment or a turning point for better or for worse. In fact, in the medical realm it is the point of turning to life or death. Our people face crises courageously, but they do not believe in creating crises. We find no glory in attiring up a situation which may mean death to the individual or to the nation.

We believe that man is created in the image of God and that his right to life, liberty and the pursuit of happiness should be protected. We do not fear death as a cowardly people, but we believe that men should live for the glorification of God, and for the well being of his fellowmen.

We must be ever alert not to become weakened through useless conflict and fall prey to the values of Communism. We must learn to interpret the words of other people for their true meaning and not suppose that everyone means what we mean. Word meaning is increasingly important.

MAY HEARING FOR SUGAR SET

CLEWISTON — The U. S. Department of Agriculture announced this week that, in accordance with the Sugar Act of 1948, as amended, a public hearing will be held on wage rates for the period July 1, 1955 through June 30, 1956, and on prices for the 1955 crop of sugarcane in Florida. The hearing will be held on May 11, 1955, at 10 a. m., in the Sugarland Park auditorium, Clewiston, beginning at 10 a. m.

One of the conditions which producers must meet to qualify for payments under the Sugar Act is to pay all persons employed on the farm in the production, cultivation, or harvesting of sugarcane wage rates not less than those determined to be fair and reasonable by the Secretary of Agriculture after public hearing and investigation. The act also provides, as a condition for payment, that producers who process sugarcane must pay for such sugarcane the determined to be fair and reasonable by the Secretary of Agriculture.

In order to obtain the best possible information, the department requests that all interested persons appear at the hearing to present their views and present pertinent data in regard to wages and prices.

Glades FFA Members Take Sub-Dist. Firsts

Glades Future Farmers of America carried off top honors at the sub-district contests held in Moore Haven, Fla., last week. Tom Arceneaux, Pahokee, was first place winner in public speaking and the Pahokee quartet composed of Chuck Elliott, Weldon Cardin, Douglas Gillis and Frank Blakey took first place. Belle Glade FFA's took first honors in parliamentary procedure, contestants were John Thompson, Leo James, Charles Royal, L. Paul Jones, George Farnall and Louis Freidheim. The Belle Glade string band comprising Jim Cowart, Leon Warren, Bob Dillow, Bill Cowart, and Bobby Jimerson came out first in that contest. The diamond ball team from Belle Glade won a first place, team members were Eddie Robinson, Rod Walker, Jim Cowart, William Garrett, J. Paul Jones, Bob Van Landingham, Harry McDonald, Leon Warren and Jerry Freir.

The first place winners will compete for district honors at a meeting at Sebring next Friday.

Mrs. Duke Tucker reported \$80.40 profit from the Woman's Club rummage sale held last week for the scholarship fund. Members are reminded that the club will sponsor another sale for the same project in the near future.

LARGE RUNS STRONG PRICES

BELLE GLADE—Large runs and strong prices marked Glades Livestock Market sales this week, according to George C. Edness, manager.

Wednesday's sale saw 320 cattle, bringing \$23,645.91 with 61% of number and 64% of dollar value going to slaughter.

Figures for Monday's sale follow: 1136 cattle, 153 calves, 621 steers, 158 calves, 153 cows, 4 bulls, 167 heifers, 33 yrlegs, 47% of number and 59% of dollar value to slaughter.

SPOT ZONE

(Continued From Page 1)

holds. However, he did indicate that some of those he discussed the issue with would go along with spot zoning if previous under the direction of the school board and is compensated from the Research Project on Education of Migrant Children.

Simonson then moved that Council go on record approving the Orange State Oil permit and approving spot zoning, with the proviso that the Orange State representative submit proof to the Council that insurance rates will not be increased. If the rates are to be increased, Simonson said he would not be in favor of the spot zoning and thereby not in favor of location of the plant in downtown Pahokee.

Council tabled the motion until the assurances required can be obtained.

In other actions, the Council: DISCUSSED action to be required of city if legislature approves referendum for having police chief and city clerk appointed instead of elected;

ACCEPTED a petition to place Robert D. Harway's name on the official ballot for the election May 3;

CLOSED registration books prior city election;

OPPOSED provisions of House Bill 39 changing present "P" tag regulations, and

It was agreed that the City of Pahokee Council go on record condemning the wave of vandalism and arson in connection with current CWA-Southern Bell strike. City Clerk Dorothy Graham was instructed to write a resolution to that effect.

FESTIVAL HELD IN SOUTH BAY

BY MRS. WILLIAM MASONIC SOUTH BAY — The City of South Bay was host to approximately 1600 guests last Saturday at its second annual Sweet Corn Festival. According to William Masonic, general chairman of the affair, the festival consisted of 1800 pounds of beef barbecue, 7000 ears of sweet corn, five crates of cabbage in the form of slaw, and three hamsters of beans, besides bread and coffee, all served free of charge.

Winner of the corn eating contest was Albert Oyster, 12, who finished off eight ears in five minutes flat. The champ of the corn husking contest was Eugene Challanson, 15, who husked 16 ears in five minutes. Each of the winners was presented a cash award.

An eight passenger aircraft was brought up from Coopers town and many people enjoyed a thrilling ride on the North New River Canal in the boat. Other amusement rides were very popular with the younger folks.

The fireworks display which was to have climaxed the day's activities had to be cancelled when the fireworks failed to arrive.

From all indications the Festival was held in its purpose of promoting good will among the Glades communities and in acquainting the public with the City of South Bay. Much of the success was due to the splendid cooperation of the various organizations whose members prepared and served the food. The city and Mr. Masonic wish to thank the Lions Club, PTA, Garden Club, American Legion, and the Legion Auxiliary for their help in preparing and serving the food. Also Harold Rubin, Pioneer Growers, Florida Freewheel, Westworth Process, Clyde Doolittle, Duda and Sons, Edgar Wilder and Floyd Wilder for their generous donations of produce. W. C. Allen, F. W. Kelley, Jr., Vernon Henderson and R. O. Plank turned out some of the best barbecue seen in the Glades, it was said.

It was pointed out that the merchants of the city benefited considerably from the festival, as several of the dealers reported greatly increased sales on Saturday, the day of the festival, and during the four-day stay of the amusement enterprises that were not too favorable to the city.

MIGRANT

(Continued From Page 1)

been re-appointed for the second year of a two year program in service to migrants. She works under the direction of the school board and is compensated from the Research Project on Education of Migrant Children.

discussing her plans, Miss Sutton said that she is leaving next week to make studies similar to those conducted here, in Northampton County, Va.

Both Miss Sutton and Dr. Dawson expressed their interest in the extension of migrant studies to other Florida counties.

Dr. Dawson said that of the 3070 counties in the United States there are 400 in which migratory problems are presented.

Florida is one state where the problem of a seasonal influx of labor is acute and it was for this reason as well as the interest in maintaining a program shown by the school board that the project started here last year.

Dr. Dawson met with members of steering committees on education of migratory children on Tuesday at Lake

Shore Elementary School and on Wednesday at Belle Glade High School. One of the remarkable aspects of the work is that of giving migratory children a sense of security in their school progress. Miss Sutton pointed out that permanent record keeping systems are being established on a limited basis now so that children can be placed in proper grade upon their arrival at a new school. Because of the unique travel experiences and environmental patterns realized by migrant children, they can contribute materially to classroom discussion. Miss Sutton pointed out that, for example, reading is being taught them on the basis of their experiences and travel. These confirm in the children a sense of belonging in a group because they are accepted by the group as being advantaged rather than disadvantaged by their migratory life, Miss Sutton said.

ARSONISTS

(Continued From Page One)

ing conspiracy. The serious effect of the destruction of long line communications mounted as the week progressed. Packing houses and other officials say that most Monday and Tuesday sales were scheduled in advance although the balance of the week's sales, done at an estimate of 90% by telephone, were imperiled by inadequate service.

Record Car Movement

In spite of communication difficulty an all time record of produce cars moved out of the Glades Wednesday night. The movement, reported as the heaviest ever recorded here, indicates the predicted record of 2,000 cars ahead of last season may be reached. Corn movements have been the heaviest in history the past three weeks, figures show. 371 cars moved through Wednesday of this week. Celery shipments are high with 117 cars shipped this week and potatoes are rolling out, 18 cars.

Growers and producers are managing to keep some produce moving by dispatching private in railroad cars in the general direction of an anticipated market subject to diversion when a final sale of the car's contents could be made through delayed phone of wire contacts.

Telephone Survey

Ed Reddy, district manager for Southern Bell said that in a brief survey made by himself yesterday, comments from producers were not too favorable as to the effect this crisis is having on the market.

According to Reddy, some producers feel the corn market is "ruined" with others feeling a "tremendous loss." An estimate was made by one pro-

ducer that the lack of communications has caused a .25 per cent price fall off which in terms of last week's shipment would this week mean a \$50,000 loss in the corn market alone.

Producers assured Reddy that they are most appreciative of the company's efforts to re-establish normal service.

CITY PLAN

(Continued From Page 1)

of Belle Glade and receive approximately \$4,000 for their services.

Before engineers presented the overall plan they presented the city a schematic drawing of the city's future development. It was explained that last year it was estimated that cost of necessary meter and other equipment will be approximately \$1,000 to install the health measure. Only Fla. State Board of Health approval is necessary now before fluoridation goes into effect.

The Russell and Axon representative said that the high water table and the closeness of the rock strata to the surface makes sewer and water planning a difficult problem in Belle Glade necessitating careful planning and study.

The engineer emphasized the need for the survey which he suggested and to which the commission agreed in order to find out exactly how much the taxpayer will get for his dollar and how many dollars it will cost. The engineer added that city residents can understand an expensive undertaking in relation to cost per house owner and are less likely to object to city government permission to go ahead when they find how

little it costs per month for the service bought. Financing on overall needs and on overall income was to be studied after the engineering data is completed.

Conservancy Reversal

James Ball, W. R. Hooker and W. M. Jeffries on behalf of the South Florida Conservancy District requested the city commissioners to reverse their April 30 resolution opposing legislative action now in the hopper to change the district's tax structure. Ball, outlining that the commissioners' action in behalf of the city and in behalf of the citizens therein were two distinct ideas, showed how the district's action would be supporting rather than undermining the tax. Commissioners agreed that advantages to residents outweighed the relatively small tax they paid and agreed to rescind their previous resolution.

Wendell Lyon's proposed subdivision plat was accepted by the commission. Tabled for consideration in the next meeting was the purchase of an original and two copies of a photograph mosaic of the city for \$650 from Grant Averill and Bill Bosworth.

Rock And Sludge

Commissioners decided to write the District Attorney setting forth the city's agreement with the contractor dredging the Hillsboro Canal relative to disposal of rock and sludge. It was agreed last week that the city was to use the rock for public purposes and might dispose of the sludge as it saw fit. The letter formalizes this previous action.

In other actions, commission-

ers: REFERRED to city manager and chief of police the responsibility of advising the commission on a taxi-cab policy for the city.

DEFERRED a resolution for next meeting on rezoning Avenue E.

ARRANGED for sewers and streets in Belle Glade Builders' subdivision.

Next Borden's blends with butterworth. Cream, crunchy pecans. Say, just watch the smiles that spread with every lick. They'll all come back for more-in a hunk.

Borden's Butterscotch Pecan ICE CREAM

It's the BORDEN'S way to go to go!

The most modern trucks on any job!

NEW CHEVROLET Task-Force TRUCKS

From America's leading truck builder comes a whole truckload of new advantages that mean big savings in hours, dollars and driving effort on your hauling or delivery jobs. And they're ready to go to work for you right now!

Work Styling—A new approach to truck design!
Two distinctively different styling treatments—one in light and medium-duty models, another in heavy-duty!

Six powerful new "high-voltage" engines!
With a modern 12-volt electrical system for increased generator capacity—many other new advances.

The last word in cab comfort and safety!
New Sweep-Sight windshield for increased visibility. A new concealed Safety Step that stays clear of snow or mud.

New capacity—up to 18,000 lb. G.V.W.
Offered in 2-ton models! This means you can do a lot more work on heavy hauling jobs with less savings.

New more durable, standard-width frames!
New frames are of 34-inch width to accommodate special body installations. And they're more rigid!

Tubeless tires standard on 1 1/2-ton models!
New tubeless tires give you greater protection against a blowout... puncture! ...delicate more slowly when punctured!

Power Brakes standard on 2-ton models!
This great power helper is yours at no extra cost on 2-ton models! Optional at extra cost on all other models.

All models available with new Power Steering!
New Chevrolet Power Steering cuts turning effort up to 80 per cent... cushions road shock. Optional at extra cost.

You can have new Overdrive on Hydra-Matic!
Overdrive is optional on 1 1/2-ton models; truck Hydra-Matic on 1 1/2-, 3 1/2- and 1-ton models at extra cost.

Power Brakes standard on 2-ton models!
This great power helper is yours at no extra cost on 2-ton models! Optional at extra cost on all other models.

Tubeless tires standard on 1 1/2-ton models!
New tubeless tires give you greater protection against a blowout... puncture! ...delicate more slowly when punctured!
